LETTER OF RECOMMENDATION

15 December, 2025

TO WHOMSOEVER IT MAY CONCERN

I am pleased to write this Letter of Recommendation for Shlok Jain, who worked as an intern at Fundora from 20 July 2025 to 8 December 2025.

During the course of his internship, he worked on the following key areas:

1. Dataset Compilation – Collecting, organizing, and preparing structured datasets required for analytical and machine learning workflows.
2. Base Recommendation Model – Assisting in the development and initialization of a foundational recommendation model, contributing to the platform's data-driven decision-making capabilities.

What stood out most was Shlok's learning attitude and discipline. He was receptive to feedback, quick to understand new concepts, and consistent in executing assigned responsibilities. Rather than treating the internship as a formality, he approached tasks with genuine curiosity and a problem-solving mindset.

Shlok maintained a professional work ethic throughout his tenure and collaborated well with the team. Given his technical inclination and willingness to learn, I am confident that he will perform well in future academic pursuits or professional roles that demand analytical thinking and technical rigor. I strongly recommend Shlok Jain and wish him success in his future endeavors. Should you require any additional information, please feel free to contact me.

Sincerely,
